

YOUR ONE STOP FORWARDING

AND LOGISTICS SERVICE PROVIDER

CORPORATE PROFILE

1. COMPANY SUMMARY

A. Introduction

Large Horizon Sdn Bhd has been established since 2001 from a humble beginning to emerge as one of the many industry leaders today. Our aggressive expansion over the years includes freight forwarding, customs clearance, car carrier, haulage transportation and labourer supply. In short, we have moulded ourselves into a total logistics organization.

B. Our Proposed Solution and its benefits to the clients.

In today's competitive marketplace, many companies are striving to cut down costs; thus, more and more importers are turning to responsible and experienced freight forwarder companies to keep their costs lower.

We believe that it's time for your company, being a large organization, to look into appointing us, Large Horizon Sdn Bhd, as a better alternative to your logistics needs. After all, why go through the hassle of running around looking for a freight forwarder when you can contract a professional like us to do it better, faster and cheaper.

WHY THE LOTUS FLOWER?

The lotus is an Asian water lily known for the delicate beauty of its flowers. It possesses an amazing ability to flourish in a variety of environments. It is also known for its exceptionally hearty seed pods which often plant themselves far from its sources, bringing the beauty of the lotus blossom everywhere.

We have adopted the lotus flowers as our symbol because its attributes reflect our Asian roots, our philosophy and our ideas.
